

TUESDAY NIGHT *SOUP NITE*

WOW!!!!

What: ALUMNI BOOSTER SCHOLARSHIP FUND SOUP NITE

When: Tuesday Evening September 22nd

Where: Marching Wolverine Stadium

Time: 8:15pm to end of practice (or until we run out)

Who Is Invited: All parents, grandparents, close relatives and siblings of the performers.
Note: performers in the band will not be served due to the need for them to actually practice (duh!)

This Weeks Menu: Celery Root and Potato Soup made fresh with ingredients from our local farmers market.

If you haven't experienced the flavor of celery root before, please take the time to at least try it this week. You may develop a better appreciation for this ugly little ball of taste.

Time To Add A New Chapter:

They say we should learn from history or we are destined to repeat it. Well, based upon past history, there should have been more than enough soup to go around last Tuesday. However, due to the outstanding turnout and the excellent support for this event I am now forced to modify a chapter in our history book. No, this is not revisionist history taking place, but simply another example of why nothing should surprise me when it comes to

raising the bar of expectations. Hopefully, I will learn from last week's discovery and provide everyone with a nice warm bowl full this time around.

Many thanks to all those who contributed to our scholarship fund. It was clearly one of, if not the most successful night we have had to date.

Why Soup Nite?

For those new to the program, *Soup Nite* has become the kick-off event of our fundraising for the Alumni Booster Scholarship Fund. This fund awards academic scholarships to deserving graduating seniors at the conclusion of the school year and are given out at our end-of-year banquet.

How Is A Portion Of The Money Raised: As you'll notice if you look closely, a donation jar will be left out for the exclusive purpose of helping to raise funds for these scholarships throughout the year at various events such as *Soup Nite*. Whether it is five cents or five dollars, any donation you would care to make when you see this jar would be greatly appreciated. All of the food you will be eating will be donated so 100% of all funds collected go directly to these scholarships. This is the sixth year we have awarded these scholarships and during that time we have given out almost \$8000 to deserving students of this program. Please help us turn this years awards into yet another successful event we can all be proud of.
